YOUR COMMENTS ON THE CASE

We are extremely privileged to have a independent theatre that provides so many acting, dancing & singing opportunities for our children from 3yrs upto adulthood, in an era that is so consumed by gaming, social media that poisons our children's mind, this theatre provides so much more , it provides exercise, confidence, hope, to believe in yourself, skills in learning singing, dancing & acting, friendships, team work, fun & joy... I could go on. My daughter has been in this theatre for 2 years & it gives her so much, I can't even begin to tell you the heartache & sadness that closing this theatre would bring to all these children & the local community, the joy of watching all these shows & watching the children grow in their skills is priceless! I'm sure the Fareham live will be a venue that would attract such things as tribute acts, pop bands, comedy shows & main stream shows, I don't think a little Theatre like Titchfield Festival will be any sort of competition for them, if that were Fareham Councils concern, I am also a member of Waypoint Church and it took many attempts to build our church due to the awkwardness of certain councillors at FC but in the end it got built & look how much having the church has served & helped & supported the community.... We care what goes on in our lovely little suburbs (Titchfield, Titchfield Common, Locksheath, Parkgate, Warsash, Sarisbury Green, please do not close down Titchfield Festival Theatre, as it means so much more than just a building.
