YOUR COMMENTS ON THE CASE

It is hard to imagine why this action has been brought against the Arden. It appears to be a political rather than legislative or technical challenge. This can and will I am sure be challenged legally if it were to go against TFT and the wonderful work they do for the Community. TFT is a one off and poses no threat to the other Fareham entertainment venue AT ALL. And even if it did it would make both venues strive for even better offerings. I can only imagine that someone has misread or misunderstood the TFT and The Arden venue in particular. It's outrageous and hopefully Fareham will instead of challenging the venue be very supportive of it. PH
