## **YOUR COMMENTS ON THE CASE**

Why is the Council, by means of using a sub-contractor, involved in running theatres instead of running the town as it should. Leave the running of theatres to people who know what they are doing, like Titchfield Festival Theatre who has run, very successfully, the Great Barn and TFT for many, many years.

TFT charges extremely competitive entrance prices - what will your charges be? Extremely expensive, no doubt, and that is why we do not go to other theatres - Mayflower, for example.

Get real. Allow the Arden Theatre to remain open so that people like us can enjoy very good amateur performances.
