YOUR COMMENTS ON THE CASE

I understand that most of the space where the new Arden theatre stands has been in use as a theatre space, i.e. rehearsal rooms, costume area, an area for making props, etc. - for over 10 years. Which begs the question: why is there a need for "change of use" application?

Titchfield Festival Theatre (TFT) has been serving the community for over 10 years, despite attempts from certain quarters to hamper this service. Perhaps it's time an enquiry was made into why TFT is forestalled on a regular basis.
