YOUR COMMENTS ON THE CASE

I support Titchfield Theatre's position. The new theatre provides much needed audience space and they have excellent shows and performances. I have never had a problem car parking and I believe that Fareham Borough Council should be working with this extremely successful venue rather than finding every little way of preventing them from continuing their excellent work. FBC obviously wants their new Fareham Live venue to be successful, but to do this by stopping the competition is very unethical. They are wanting to close the only 2 alternative venues (Titchfield Theatre and Ashcroft Centre).
