YOUR COMMENTS ON THE CASE

I would like to make representation for myself and my family, 3 adults, 2 OAPs, 2 teenagers and a 5 year old, for our wish for the Arden theatre to be allowed to remain. We are all local and use the theatre regularly and have found the numerous options for parking never to be a problem. The Arden theatre is a worthy addition to the theatre and brings benefit both for theatre goers and children interested in learning to act. The variety of shows able to be performed has benefitted all our children, helping with exam coursework for English literature and inspiring our youngest. My elderly mother cannot travel far and thoroughly enjoys her outings to Tft and finds the Arden theatre very suited to her mobility and sight issues.

If the Arden theatre meets buildings control regulations, please allow it to stay open for the benefit of the public.
