YOUR COMMENTS ON THE CASE

I would like to state that as a local resident I fully support the TFT in their case to keep the new Arden theatre open. The TFT provides an extremely valuable local resource. It offers an entertainment venue which is accessible to a large local population due to its situation close to residential areas. It also provides opportunities for volunteering, work experience and a community hub.

My family and I have enjoyed many evenings there. The shows have often been very busy and the smaller theatre often felt cramped therefore there is a justification for building a larger theatre. The entertainment offered there is affordable and allows many people to attend who may otherwise not be able to afford the cost of a theatre trip to a more commercial venue.
