NOTES:

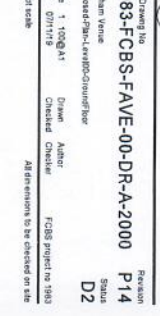

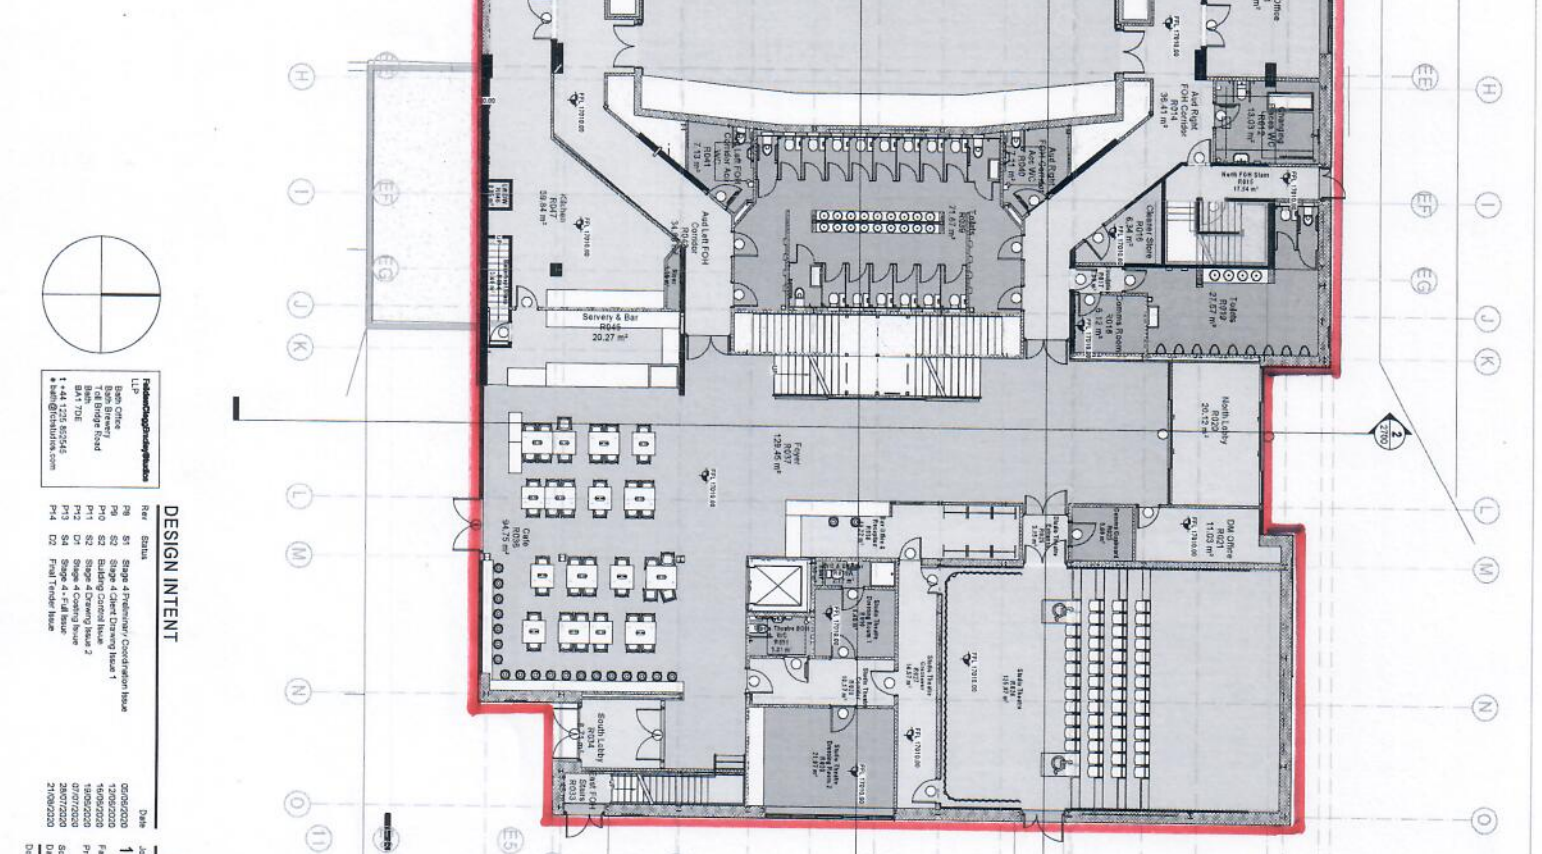

1. Final construction and general requirements, systems, devices, details, standards, specifications and design shall apply.
2. Final construction shall be reviewed and approved by the relevant authorities.
3. All dimensions shall be in meters unless otherwise stated.
4. All dimensions shall be in meters unless otherwise stated.
5. All dimensions shall be in meters unless otherwise stated.
6. All dimensions shall be in meters unless otherwise stated.
7. All dimensions shall be in meters unless otherwise stated.
8. All dimensions shall be in meters unless otherwise stated.
9. All dimensions shall be in meters unless otherwise stated.
10. All dimensions shall be in meters unless otherwise stated.
11. All dimensions shall be in meters unless otherwise stated.
12. All dimensions shall be in meters unless otherwise stated.
13. All dimensions shall be in meters unless otherwise stated.
14. All dimensions shall be in meters unless otherwise stated.
15. All dimensions shall be in meters unless otherwise stated.
16. All dimensions shall be in meters unless otherwise stated.
17. All dimensions shall be in meters unless otherwise stated.
18. All dimensions shall be in meters unless otherwise stated.
19. All dimensions shall be in meters unless otherwise stated.
20. All dimensions shall be in meters unless otherwise stated.

ONLY ALL DIMENSIONS TO BE CHECKED ON SITE.

FINAL AND STAGES TO BE APPROVED BY ENGINEER AND ALL CONSULTANTS FOR FINAL BUILDING CONTROL APPROVAL.
