

FAREHAM

BOROUGH COUNCIL

Presentation to Health and Public Protection Scrutiny Panel

Date: 08 October 2024

Report of: Director of Neighbourhoods

Subject: BUILDING CONTROL PARTNERSHIP SERVICE REVIEW

SUMMARY

The Building Control profession is undergoing generational change in response to the Grenfell tragedy, the subsequent Public Enquiry, and the Hackett review recommendations. The Councils building control service is provided by the Building Control Partnership and this presentation will update members on an independent service review of the partnership undertaken by LABC to ensure the service is appropriately prepared for the future and to safeguard its continued success.

RECOMMENDATION

It is recommended that Members consider the presentation and make any comments or raise any questions for clarification.
