The Committee was referred to the Update Report which provided the following information;- *In the section considering the impact on neighbouring properties the impact the proposed wall on no. 3 is considered. (Voting: 8 in favour; 1 abstention)

RESOLVED that PLANNING PERMISSION be REFUSED.

Reasons for Refusal:

The development proposed is contrary to the provisions of policies CS17 of the adopted Fareham Borough Council Core Strategy 2011 by reason of the height, position and hard appearance of the boundary treatment on the Heath

Lawns frontage. The boundary treatment would create an undue sense of enclosure to the street and appear unsympathetic with the open planned nature of Heath Lawns and, therefore, have a harmful impact on the character of the area.

At the invitation of the Chairman, Councillor T G Knight addressed the Committee on this item as the Ward Councillor.

Councillor T G Knight declared a non-pecuniary interest in this item as the applicant is known to him, and he lives near to the application site.

The Committee's attention was drawn to the Update Report which provided the following information:- *Comments have been received from the Director of Planning & Development (Ecology):*

The revised ecology report allows the same conclusions to be reached as previously overall.

The report has been slightly amended to reflect the changes to the proposals. Although the Methodology for removal of the existing concrete slipway has not been set out it can be seen from the plans that this additional area of works sits fully within the identified working area to be reptile fenced, outside of which no works will occur (apart from the temporary working area also shown on the plans) – as such all impacts will be contained as it is understood that machinery and materials will not encroach outside of this area.

It is understood that the additional area of slipway removal extends only to the promenade and not beyond (onto the shingle beach and vegetated shingle habitat). This will overall (relative to the previous proposals) result in net gain of restored SINC habitat once the compensation works have been carried out, without impacting the adjacent vegetated shingle habitat.

In light of the advice received from the Council's ecologist, it is considered that the ecological effects of the development could be satisfactorily mitigated as set out in the submitted mitigation strategy. The proposal therefore is held to accord with Policy DSP13 of the emerging Local Plan Part 2: Development Sites and Policies.

Upon being proposed and seconded, the officer recommendation to refuse planning permission, was voted on and CARRIED.
(Voting 8 in favour; 1 against)

RESOLVED that PLANNING PERMISSION be REFUSED.

Reason for Refusal:

The development would be contrary to Policies CS14 & CS17 of the adopted Fareham Borough Core Strategy in that, by virtue of its scale, siting and design the proposed boat shed would be harmful to the landscape character and appearance of this countryside and coastline function.

(12) P/14/0894/CU - 48 WHITE HART LANE PORTCHESTER FAREHAM HAMPSHIRE PO16 9BH

The Committee received the deputations referred to in minute 6 above.

The Committee were informed that there was an error in the report on page 73, where it states the neighbour bungalow has three windows in the south elevation, this should actually read four windows in the south elevation.

Upon being proposed and seconded, the officer recommendation to grant planning permission, subject to the conditions in the report, was voted on and CARRIED.

(Voting 9 in favour; 0 against)

RESOLVED that, subject to the conditions in the report, PLANNING PERMISSION be granted.

(14) P/14/0955/OA - 16- 18 MARINA GROVE R/O PORTCHESTER PO16 9HD

The Committee received the deputation referred to in minute 6 above.

The Committee's attention was drawn to the Update Report which provided the following information:- *The applicant has made the necessary contribution towards the Solent Disturbance Mitigation Project under Section 111 of the Local Government Act 1972.*

A motion was proposed and seconded to refuse the application. Upon being put to the vote the motion was CARRIED.

(Voting 5 in favour; 4 against)

RESOLVED that OUTLINE PLANNING PERMISSION be REFUSED.

Reasons for Refusal:

The proposal is contrary to policy CS17 of the Adopted Fareham Borough Core Strategy in that:

- (i) the creation of two dwellings, represents overdevelopment of the site which would harm the character of the area;

- (ii) the proposal would result in additional vehicle movements which would generate noise close to the habitable room windows within 16 Maria Grove, to the detriment of the occupiers of that property.

(15) P/14/0999/FP - 41 OSBORNE VIEW ROAD FAREHAM HAMPSHIRE PO14 3JW

Upon being proposed and seconded, the officer recommendation to grant planning permission, subject to the conditions in the report, was voted on and CARRIED.
